FOUR CRITICAL AREAS

SECURITY

Guards.....	(2)
Vehicle Checks.....	(2)
Festival Checks.....	(3)

SECURITY

Guard Amount & Locations

- (75) Guards
 - Industry standards recommend (1) Guard per (100) attendees for ticketed events. So we're going to aim for (1) Guard per (150) attendees plus an additional (10) Guards. 8,000-12,000 guests will make their way towards Rachel, NV. Our planned Capacity will be 10,000.
 - 30 Guards at the entrance of Rachel for vehicle checks.
 - There will be a single entry point where vehicles cycle through the town of Rachel. In an assembly-line format, the Guards will perform vehicle checks on a rotational schedule of 3-5 minutes.
 - 25 Guards stationed inside of Main Festival-Grounds
 - (5) Stationed Directly Inside the Gates
 - (6) Stationed Near Vendors
 - (12) Guards for Main Stage
 - (5) Guards for Side-Stage
 - 10 Guards patrolling grounds inside & around perimeter
 - Constant Patrols of Perimeter for Breaks & Tears
 - 10 Outside Perimeter
 - (2) Guards in VIP area
 - (8) Guards patrolling grounds

Vehicle Checks

- **All Entering Vehicles Will Be Checked**
 - Special Entry Passes for Staff Re-Entry will be in place
 - Staff and Resource vehicles will be allowed 'fast-entrance'
 - Weapons & Contraband will be seized
 - Security will search for weapons as a primary target
 - Dealing amounts of Drugs to be confiscated & reported
 - Large amounts of pre-packaged or lump concentrations of illicit substances will be reported to local law enforcement
- **Assembly-Line Vehicle Checks**
 - Parking staff at the entrance will guide (30) vehicles down Groom Avenue towards a stopping point.
 - All (30) vehicles will then come to a complete stop where (30) Guards will be lined up respectively.

- Over the course of (3) minutes, the Guards will individually search their vehicle and approve it.
- Parking staff will then usher the (30) cars down to their designated parking zones.
 - Afterwards, another (30) cars will fill up their places and repeat the process.

Festival Checks

- **Backpacks**
 - No Multi-Pocket Backpacks, only these are allowed:
 - Hydration Pack with (1) pocket.
 - Drawstring Backpack
- **Fannypacks**
 - Fanny packs allowed
- **Purses**
 - No oversized purses

with the nearest hospital being about 80 minutes away and the nearest trauma center over two hours away.

- First-Aid Tent
 - First-Aid Tent will be located within the festival grounds
 - Will be able to accommodate up to (8) EMTs.

PARKING & LOGISTICS

Parking Personnel

- **Traffic-Focused Staff**
 - Minimum (25) Parking Staff inside inside Rachel
 - (11) Stationed Along Traffic Paths
 - (10) Stationed in Parking Lots
 - (4) in each of the larger lots
 - (2) in the staff lot
 - (4) Vehicle Markers
 - (4) Parking Staff will be located at the entrance to mark incoming vehicles with the correct lettering:
 - (G) General Car Parking
 - (S) Staff Car Parking
 - (M) Media Car Parking
 - (V) VIP Car Parking
 - (R) RV Parking

Logistics

- **In-Town Traffic**
 - Both Northbound & Southbound traffic will enter Rachel on the Northside entrance. All vehicles will initially enter the front portion of Penoyer Farm Road. (A road-block will be placed after the turn for Groom Avenue)
 - General, Staff, & VIP parking will be guided down Groom Avenue for the assembly-line vehicle check.
 - Staff will be led down Templute Drive and Grover Avenue to their parking lot
 - General Parking & VIP will be led down Canyon Road to their respective lots.
 - VIP will be ushered down Central Way to their lot.

WASTE MANAGEMENT

Toilets

- (100) Total Toilets Needed.
 - Industry standards recommend (1) toilet for every (100) attendees
- (5) Handicap-Accessible Toilets
 - 5% of toilets are recommended to accommodate the handicapped
 - (1) Placed at each Toilet-Line/Grouping
- (95) Regular Toilets shall be placed around the festival & campgrounds
 - (50) Toilets Inside the Festival Grounds
 - (20) Toilets Along Vendor-Alley
 - (25) Spread out across the 3 Parking Lots

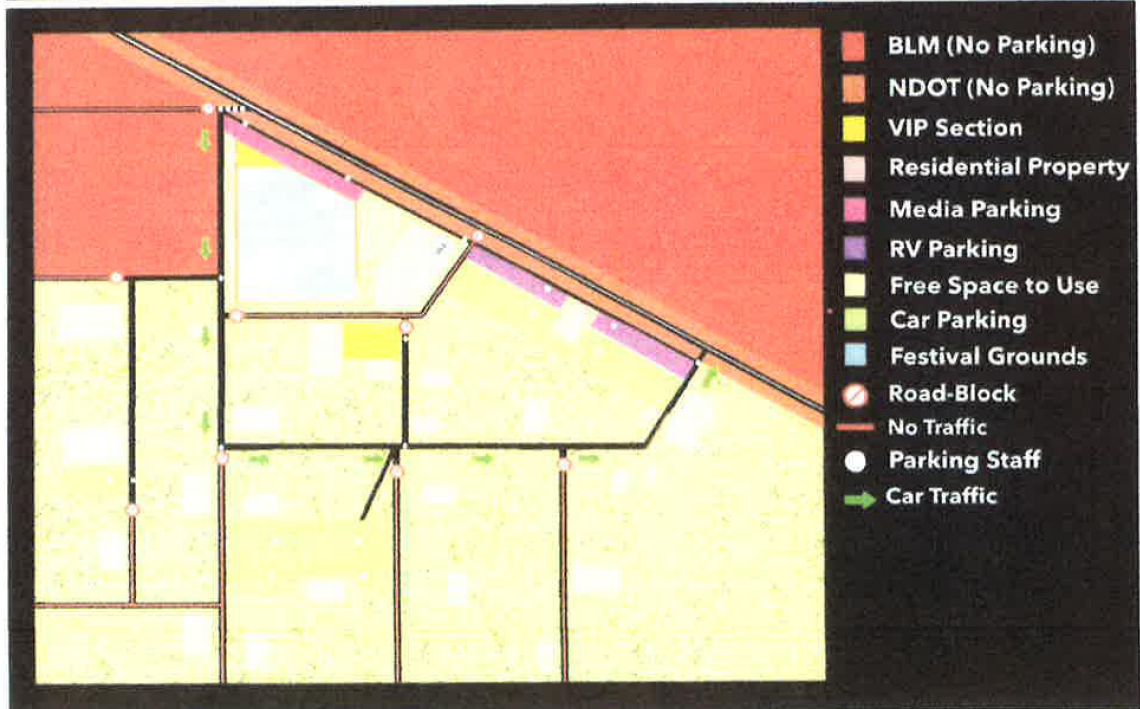

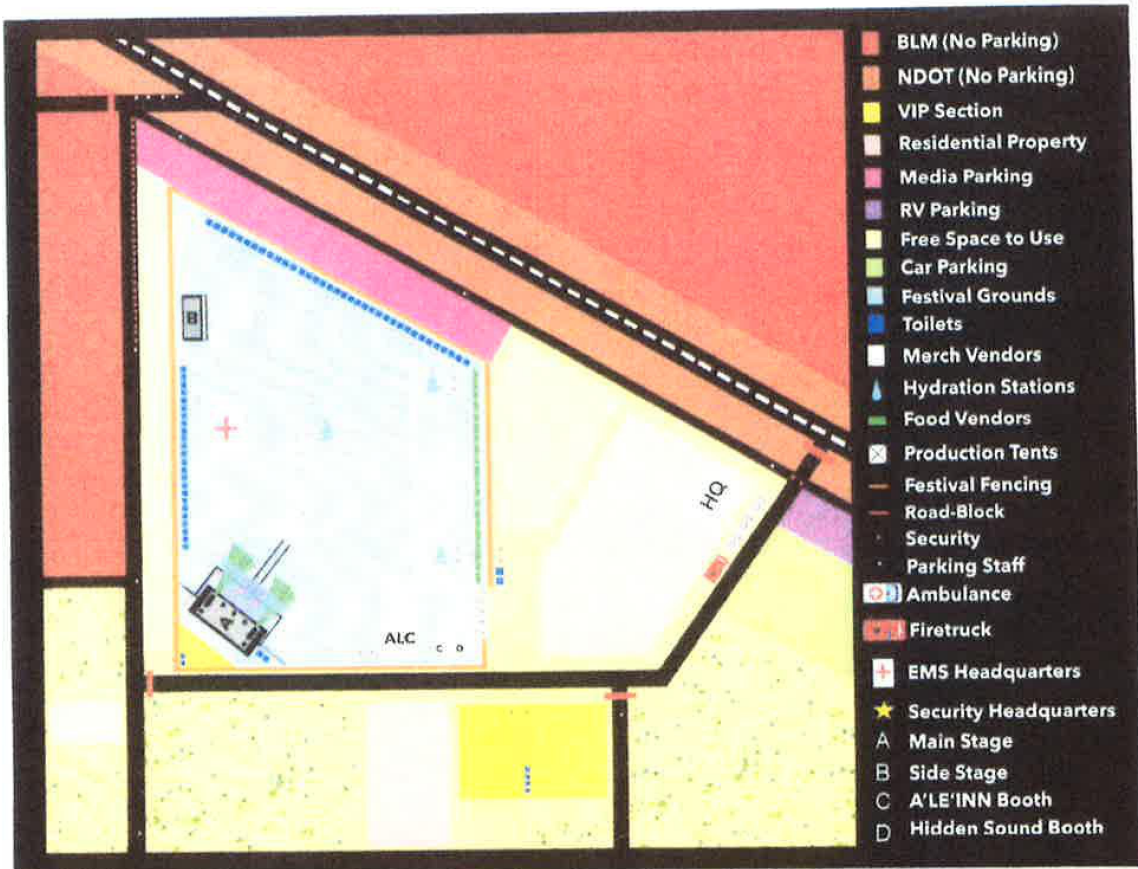

Trash & Material Waste

- (120) Waste Barrels Scattered Throughout Festival/Campgrounds
 - (60) Barrels Located inside Festival Grounds
- All Barrels Replaced once to twice-a-day
 - Unless 50% remains unfilled
- (1,000+) Garbage Bags
 - Extra bags to be given to attendees to encourage pick-up
- (2) 40' Dumpsters

Material & Waste Removal

- Toilet Waste removal to take place daily
 - Early-Mornings on Saturday & Sunday
- Material Waste removal to take place after event
 - Garbage bags that are removed daily will be transported in dumpsters at the end of the festival
